

# Strategic Initiatives Summary Guide 2019

**C a :**

Sean Kelly, Luis Sanchez

**Ab ac (150 W d ):**

Strategic initiatives support granted through the Strategic Initiatives process will support and expand faculty-mentored student research support and inclusion. Funds will be expended between December 2018 and August 2020. The 18-month window is optimal for using funds in a systematic way to maximize the long-term impact of this investment.

**Add e ed:**

Student Success; Inclusive Excellence, Capacity and Sustainability

**Ba e e Da a/C e S a :**

1. Support faculty who are currently engaging in faculty-mentored student research
2. Expand the number of faculty involved with faculty-mentored student research
3. Develop pedagogical resources that encourage faculty to incorporate inquiry-based elements in their courses
